Sir:

**REQUEST FOR ACKNOWLEDGEMENT OF RECEIPT OF PRIORITY DOCUMENT**

Applicants are in receipt of a Notice of Acceptance of Application under 35 U.S.C. 371 dated October 26, 2001, for the above application. It has customarily been the practice of the PCT branch to acknowledge the priority document when submitted by the applicant or the International Bureau (IB) to the U.S. Patent and Trademark Office (USPTO). However, the items listed on the Notice of Acceptance as having been received by the USPTO do not include the Priority Document.

Applicants are in receipt of Form PCT/IB/304 for this application (PCT/JP00/01443) which indicates that the priority document for this case (Japanese Patent Application No. 11/64768, filed March 11, 1999) was submitted or transmitted to

the IB. A copy of this Notification Concerning Submission or Transmittal of Priority Document form is enclosed.

It is respectfully requested that the USPTO acknowledge receipt of the priority document for this patent application or advise applicants if a certified copy of the priority document must be filed to perfect the claim for priority in this national phase application.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
